

A few weeks later, the mouse heard a loud roar. It sounded like the lion was in **trouble**.

ROAR!
ROAR!

The lion was caught in a **hunter's net**! The mouse knew exactly what to do.

She started to nibble through the ropes of the net, chewing and chewing until the lion was **free**. The lion was amazed!

"I was wrong about you, Mouse! You may be small, but you're capable of great things."
