

MAKING A TARTAN DOG JACKET

Materials

- * Tracing paper
- * Dressmaker's scissors
- * Tartan check fabric
- * Fleece lining fabric
- * Wadding
- * Interfacing
- * Sewing pins
- * Sewing machine
- * Velcro
- * Cotton sewing threads
- * Red grosgrain ribbon

1 Using the **template** on pp.178-179, use tracing paper to make a pattern and adjust it to fit your dog. Cut out one jacket piece and one belly strap from each fabric.

2 Place the **check fabric**, right side out, on top of the wadding and interfacing. Pin all three layers together.

3 **Machine sew along** the lines of the check fabric using a long stitch, first in one direction and then the other. This quilts the jacket.
