

330

Owl

Paint an owl sitting on a branch. Leave its eyes and beak unpainted.

329

Spiders and web

Draw a spider and a web. Use a felt-tip pen to draw the lines of the web and the spider's legs.

328

Crows

Paint big crows with thick beaks, perching on the branches of the trees.

The blades of grass were painted with the tip of a thin paintbrush.

You could paint lots of toadstools on the forest floor.
