

Penguin picture

20 Textured paper background

1. Use a thick brush to paint some pieces of old newspaper with blue and white paint. Leave them to dry.

2. Cut out shapes for the sea, ice and mountains. Glue them onto a large piece of black paper.

Paper penguin

Cut out a shape for a penguin's body from black paper. Cut out a white shape for its head and tummy. Glue them onto the background, then draw a beak, eye, flipper and tail.

You could make a forward-facing penguin with two flippers instead of one.

22

Diving penguin

Cut a thin white shape for the head and tummy, and glue it along one side of the body. Draw two flippers instead of one.

These fish were cut from kitchen foil.
