

347 Cupcake stand

Cut the middle part of the stand from paper. Cut strips for plates and glue them across the stand. Cut out the cakes first, glue cases on top, then decorate them.

You could make some cupcake cases from striped paper.

348 Doilys

Cut strips from paper doilys and glue them onto the plates.

This heart was cut from tissue paper.

You could add a candle to a cupcake.

Corrugated cardboard case

349

Cupcake cases

Cut a section from a real cupcake case and use it on your picture.
