

23

Full moon

Cut out a circle from some painted newspaper and glue it on the sky.

24

Starry sky

Use a white pencil or silver pen to draw lots of little stars on the sky.

25

Penguins in the distance

Make gradually smaller and smaller penguins and glue them on, so that they look as though they are far away.

26

Baby penguin

Use grey paper for the penguin's body, and black and white paper for the head and face. Draw an eye, beak and flipper.

27

Swimming penguin

Cut out the body, head and tummy, and glue them in the sea. Draw two flippers, and a beak on top of the head.
