

Collage cats

28 Standing cat

These cats were made from a paper bag that had large writing printed on it.

1. Cut or rip a head and a shape for a body from paper. Add a small paper collar or draw a neck.

2. Use a black pencil or felt-tip pen to draw legs and a tail. Then, add a nose, eyes and ears.

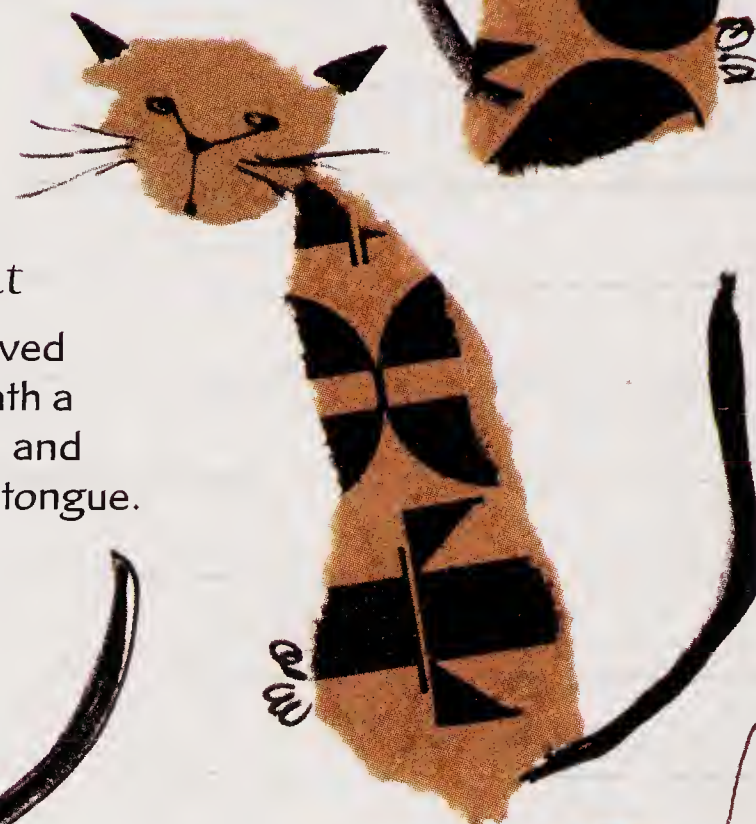

Draw 'u' shapes for the eyes.

30

Clean cat

Draw a curved paw beneath a cat's head, and add a little tongue.

29 Sleepy cat

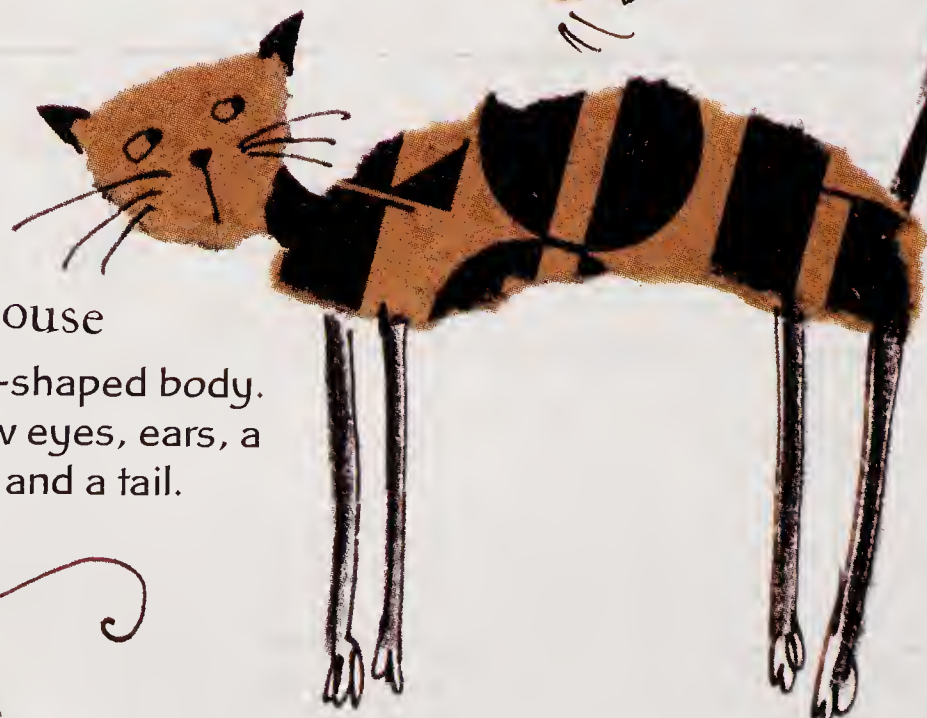

Rip a curved shape for the body and glue the head on overlapping one end of it.

31

Little mouse

Rip a pear-shaped body. Then, draw eyes, ears, a nose, feet and a tail.

Add whiskers.
