

40

Red bugs

Cut out shapes for the body, wings, head and feelers. Add spots and legs.

Draw wavy lines behind the bugs to indicate that they are flying.

41

Dragonflies

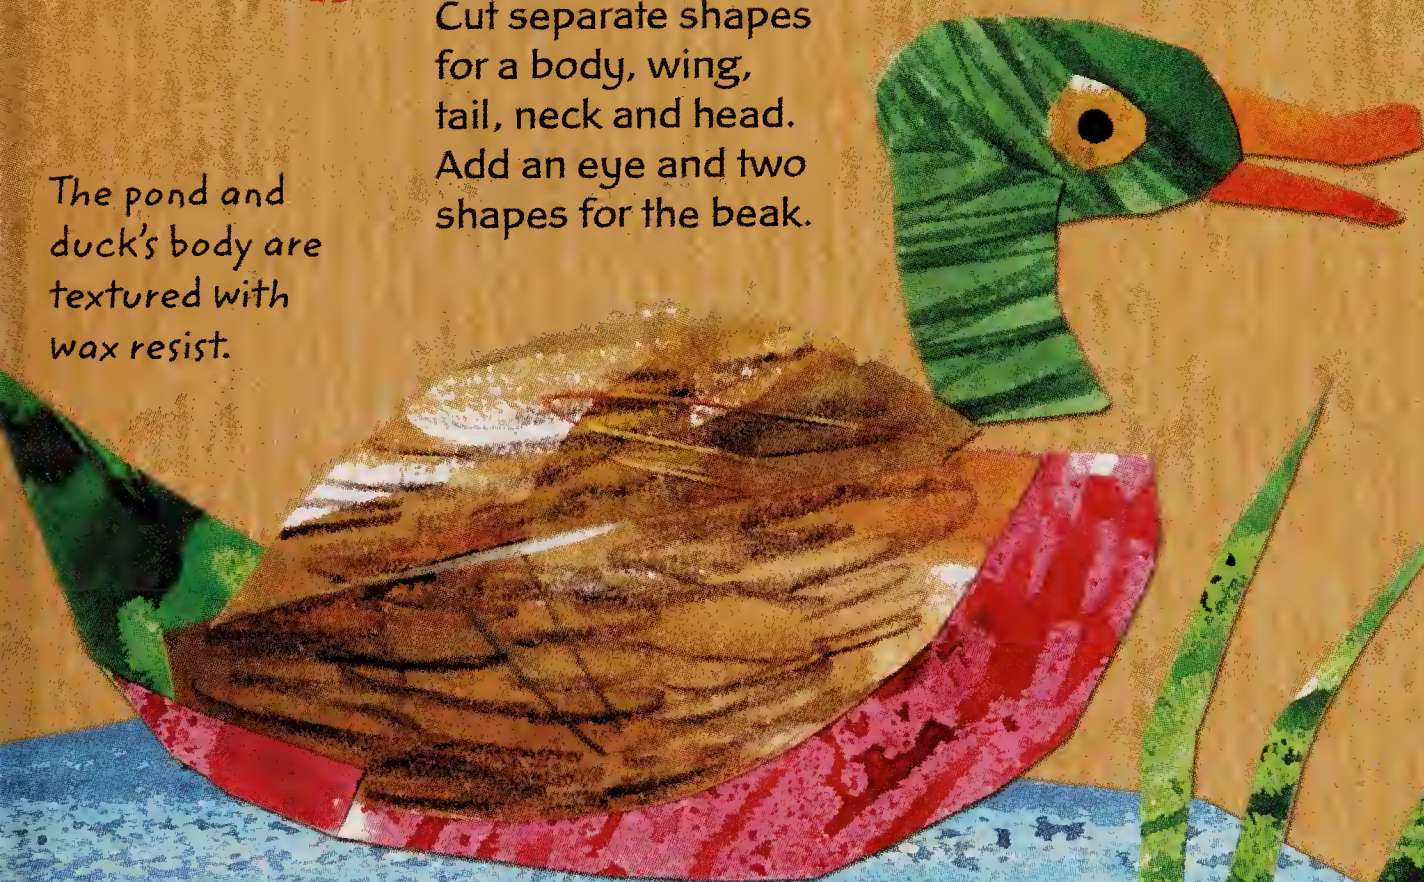

Glue little strips of paper on the bodies, or use a piece of textured paper with wax resist stripes on it.

39

Duck

Cut separate shapes for a body, wing, tail, neck and head. Add an eye and two shapes for the beak.

The pond and duck's body are textured with wax resist.

Paper from a bag
