

50 Wheel spokes  
Draw lots of thin lines inside the wheel to look like the spokes on a vintage car.

Vintage cars often had a spare wheel attached to the side of the chassis.

49 Early fire truck  
Draw a vintage fire truck with big searchlights and equipment stacked on the back.

Fire fighters would ring a bell on the side of the truck.

51 Ink splots  
Dip a brush into some ink and flick it down onto your paper to make splattered ink spots.
