

Bird picture

64 Curling branches

Use pencils to draw several branches curling in from the edges of your paper. Fill them in, then draw leaves, or glue on some cut from paper.

66 Draw a bird

Use a dark pencil to draw the outline of a bird. Fill it in with a paler pencil.

65 Paper flowers

Cut flowers from paper and glue them in between the branches.

You could add a singing bird with an open beak.
