

Busy city scene

All the shapes on this picture were cut from pages in old magazines. Details were then drawn on top with a pen.

76

Skyscrapers

Cut out long rectangles for tall buildings. Glue on thin strips of paper as rows of windows.

You could add some trees between the buildings.

75

Traffic jam

Cut out different shapes of cars. Draw their wheels with a black pen.

74

Truck

Cut a shape for a cab and a longer one for the trailer. Draw big wheels.

Draw different shapes of windows.
