

Draw criss-crossed lines for the strings on a tennis racket.

125 Tennis player

Draw a short tennis skirt before adding the legs. Draw a racket and a tennis ball.

124 Weightlifter

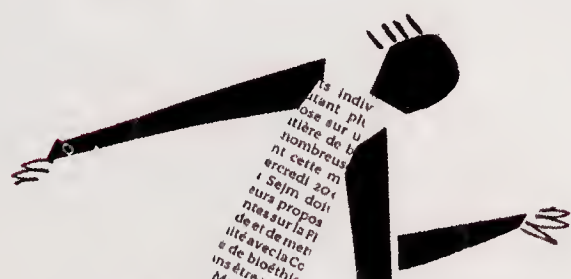

Cut paper shapes for the weights and thin strips for the bar supporting them.

Make a lifter with bent knees.

123 High jumper

Draw the high jump bar on either side of the body, after you have glued it on.

126 Ball games

Make some figures kicking or heading a ball. Cut out a paper ball, then draw around it roughly.

Glue red strips on the legs to look like long socks.
