

5. Use chalks or pastels to fill in the head, ears, body and tail.

6. Glue on paper eyes and whiskers. Then, draw a nose and mouth.

Draw little lines for fur.

You could make a quizzical cat with its head at an angle.

### 146 Tom cat

Fill in the cat with a dark orange pastel, then use a paler orange to draw lots of lines on top.

### 147 Fluffy tummy

Smudge a patch of white pastel onto the cat's body. Then, draw lots of short lines on top.
