## Baby shoes

Cut the shape of the shoe.  
Then, cut shapes for the  
insides so that you make  
a strap and cut-out pieces.  
Draw circles for decoration.

## High heels

Cut out a shoe from  
brown paper, then  
add a patterned top  
part, leaving the  
heel brown.

You could draw curly  
decorations with a pen.

## Big picture

Cut out lots of squares from  
patterned paper and glue them  
together. Make a different pair  
of shoes to fit in each square.
