

Japanese doll picture

154 Doll collage

1. Draw the shapes shown here on plain and patterned paper, then cut them out.

2. Glue the belt onto the body. Add the hair and face. Cut two pieces of cardboard and glue them onto the sleeves. Then, add them to the body.

The dolls' cheeks were drawn with a pale pencil.

155 Different hairstyles

Cut different shapes of hair for different dolls, such as one without a bun or one with ponytails. Add a bow or a hair comb, too.

These dolls were made with flowery wrapping paper.

Pretty branches

Cut out lots of flowers from shades of pink paper and glue them onto thin branches.
