

190

Flying

Glue on the ripped strips to make two wings above the bird. Add the legs flowing out behind the body.

193

Eggs in a nest

Cut out eggs from painted paper towels. Add overlapping strips of paper to make a nest beneath them.

191

Baby birds

Make a smaller bird with a fat body made from shorter pieces of ripped paper.

192

Worm

Cut out a long, thin shape and spread glue along it. Press it onto a piece of paper, curving it as you press it down.

Draw, or cut out, little eyes.
