

201 Angry hen
Glue on two strips of paper for the wing.
Draw lines at angles for angry eyebrows.

203 Scared chicken
Draw a 'v' on its side for each eye, to make it look as if the chicken is running with its eyes shut.

These chickens' feet were cut from scraps of red paper.

It doesn't matter if the chalk smudges over the edge of the outline.

204 Surprised hen
Cut two pieces for the hen's beak and glue them far apart.
Draw ovals for wide eyes, and add a pupil in each one.
