

Paper people picture

205 Paper person

Use a felt-tip pen to draw a person with a rectangular body and a round head. Then, cut a piece of paper for their outfit and glue it on.

You could use the people on these pages for inspiration.

206 Tall man

Draw a person with very long legs. You could glue on a tall top hat, too.

Bow tie

You could add rosy cheeks with a pink pencil.

207

Little people

Draw a small person with short arms and legs, and a little body.
