

208

Cloud and rain

Cut out a cloud from paper. Glue it onto your paper, then draw around it. Draw, or glue on, raindrops.

Try drawing someone with their legs like this to look as if they are running.

You could add someone under a rain cloud, holding an umbrella.

209

Dog

Use a hairy pattern for a dog's body, then add a patterned coat.

Do someone jumping with their hands in the air.
