

220

Hot coffee

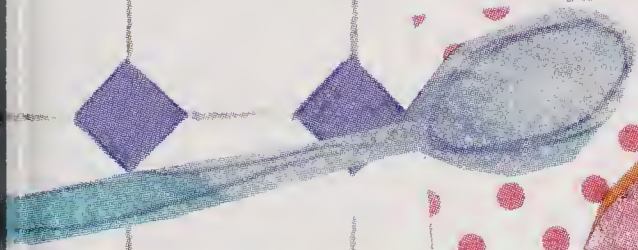

Use chalk pastels to draw lots of lines for steaming coffee. Smudge them a little with a fingertip.

221 Salad

Cut green shapes for lettuce leaves. Add some red tomatoes, strips of carrot and some black olives.

These scratches were made with the end of a paintbrush in wet paint.

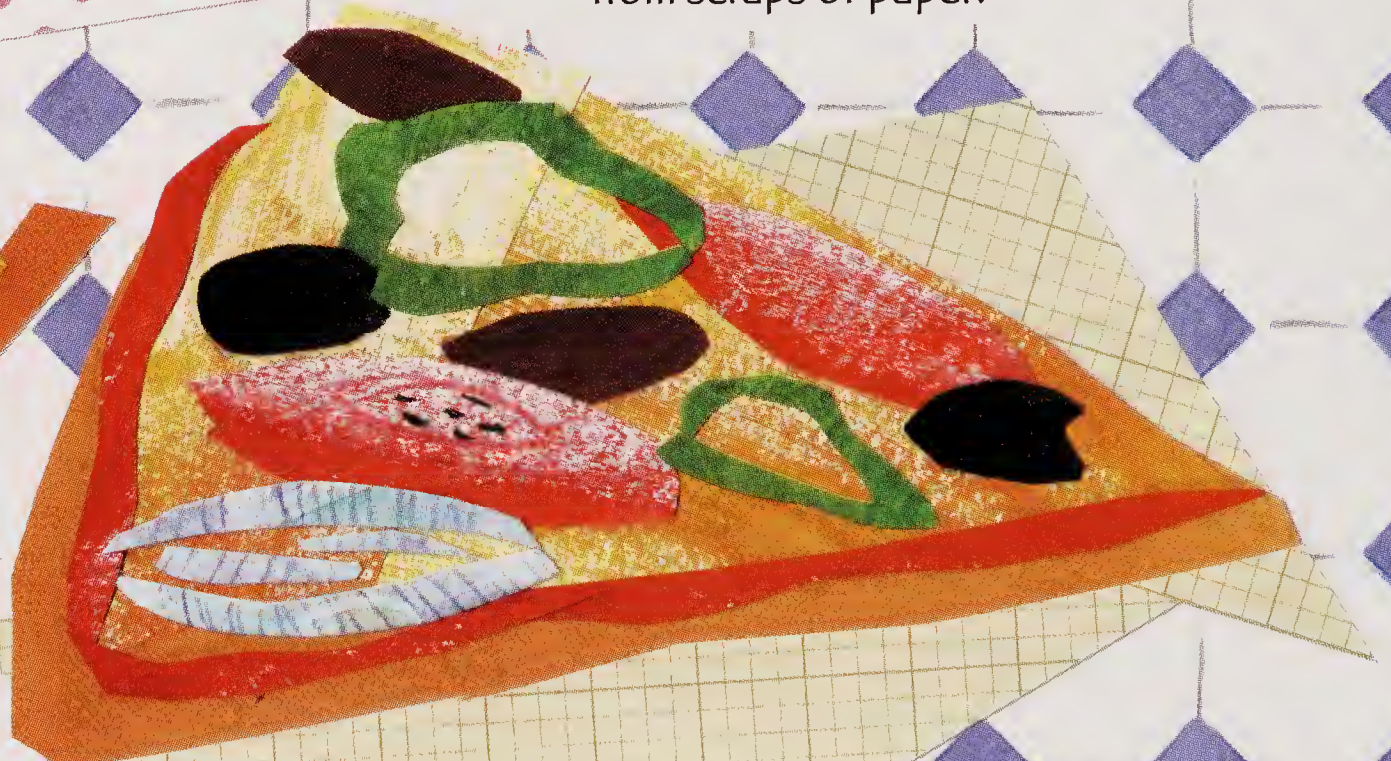

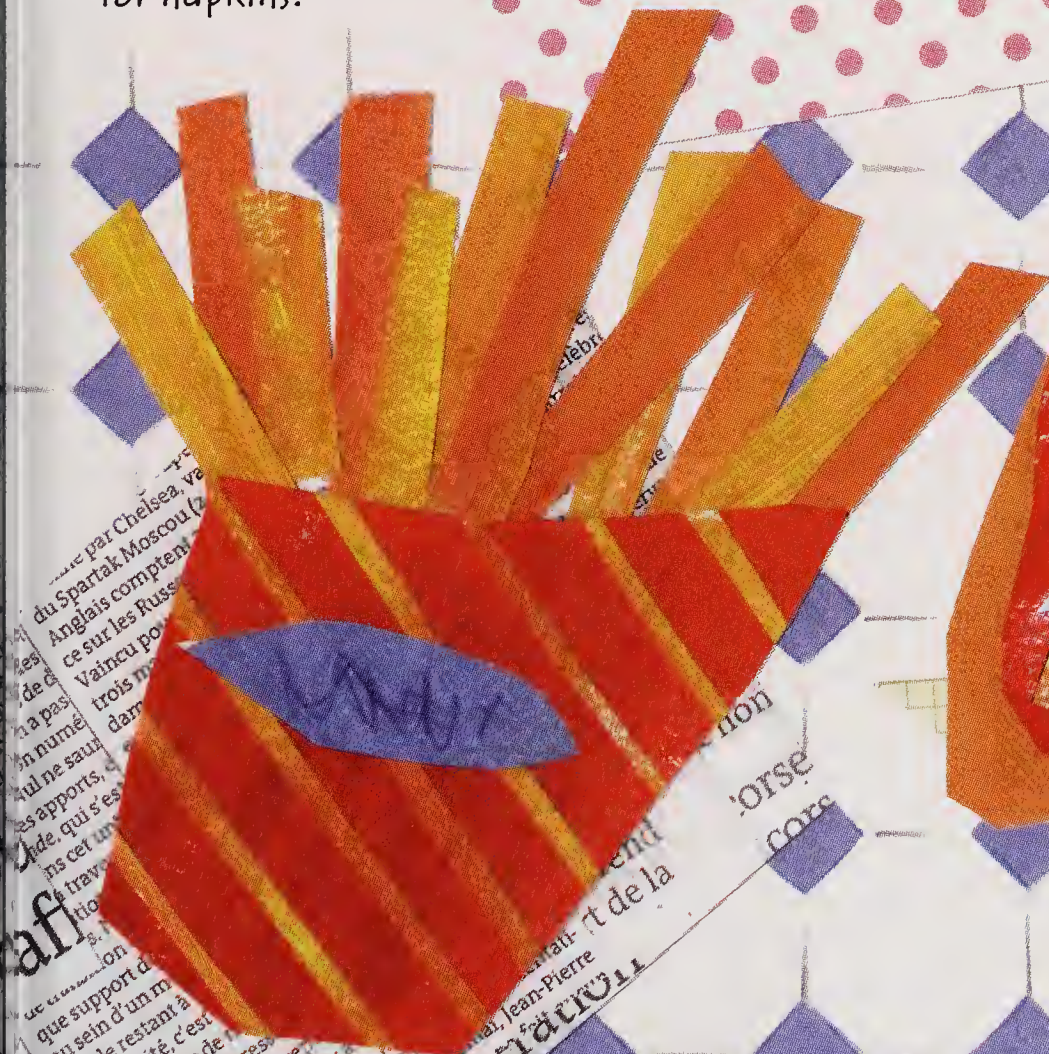

You could use wrapping paper and newspaper for napkins.

222 Cakes

Use the ideas shown on these pages to make cakes and cupcakes from scraps of paper.

223

Pizza

Cut a triangle for the base and add lots of toppings, such as cheese, tomatoes and olives.
