

Collage tree and birds

235 Make a tree

Fold a piece of paper in half, then draw a tree shape like this, against the fold. Cut out the shape, unfold the paper and lay it flat.

237

Make a collage

Glue the tree onto a piece of paper. Cut birds from paper and glue them on. Draw their legs with crayons and their eyes with a pen.

236

Lots of birds

Fold a piece of paper in half, then in half again. Draw a bird and cut it out. This will give you four birds in one go.
