

243

Fox

Use different pieces of paper for a body and tail. Add legs, eyes, ears and whiskers, then decorate them with strips of paper.

244

Lion

Glue on eyes and a strip of paper for a muzzle. Then, draw the nose, pupils and eyebrows.

245

Crazy creature

Use the same technique to create imaginary creatures, such as a 'cow' with antennae, below.

This dog was made with lots of pieces of tissue paper and wrapping paper.

246

Snake

Cut out lots of small pieces of paper and glue them together to make a long snake. Add a forked tongue.

Try gluing lots of pieces of paper together to make a body.
