

251

Sea horses

Copy the shapes shown here for sea horses, swimming among some fish.

You could draw different shapes for fish, such as this yellow eel.

252

Swordfish

Draw a swordfish with a long, sharp snout, and pointed fins and tail.

Seaweed

250

Draw some seaweed and cover it with tissue paper, then go over the lines with a pen.

You could draw some black seaweed, shells and sand.
