

Monster crowd picture

258 Simple monster

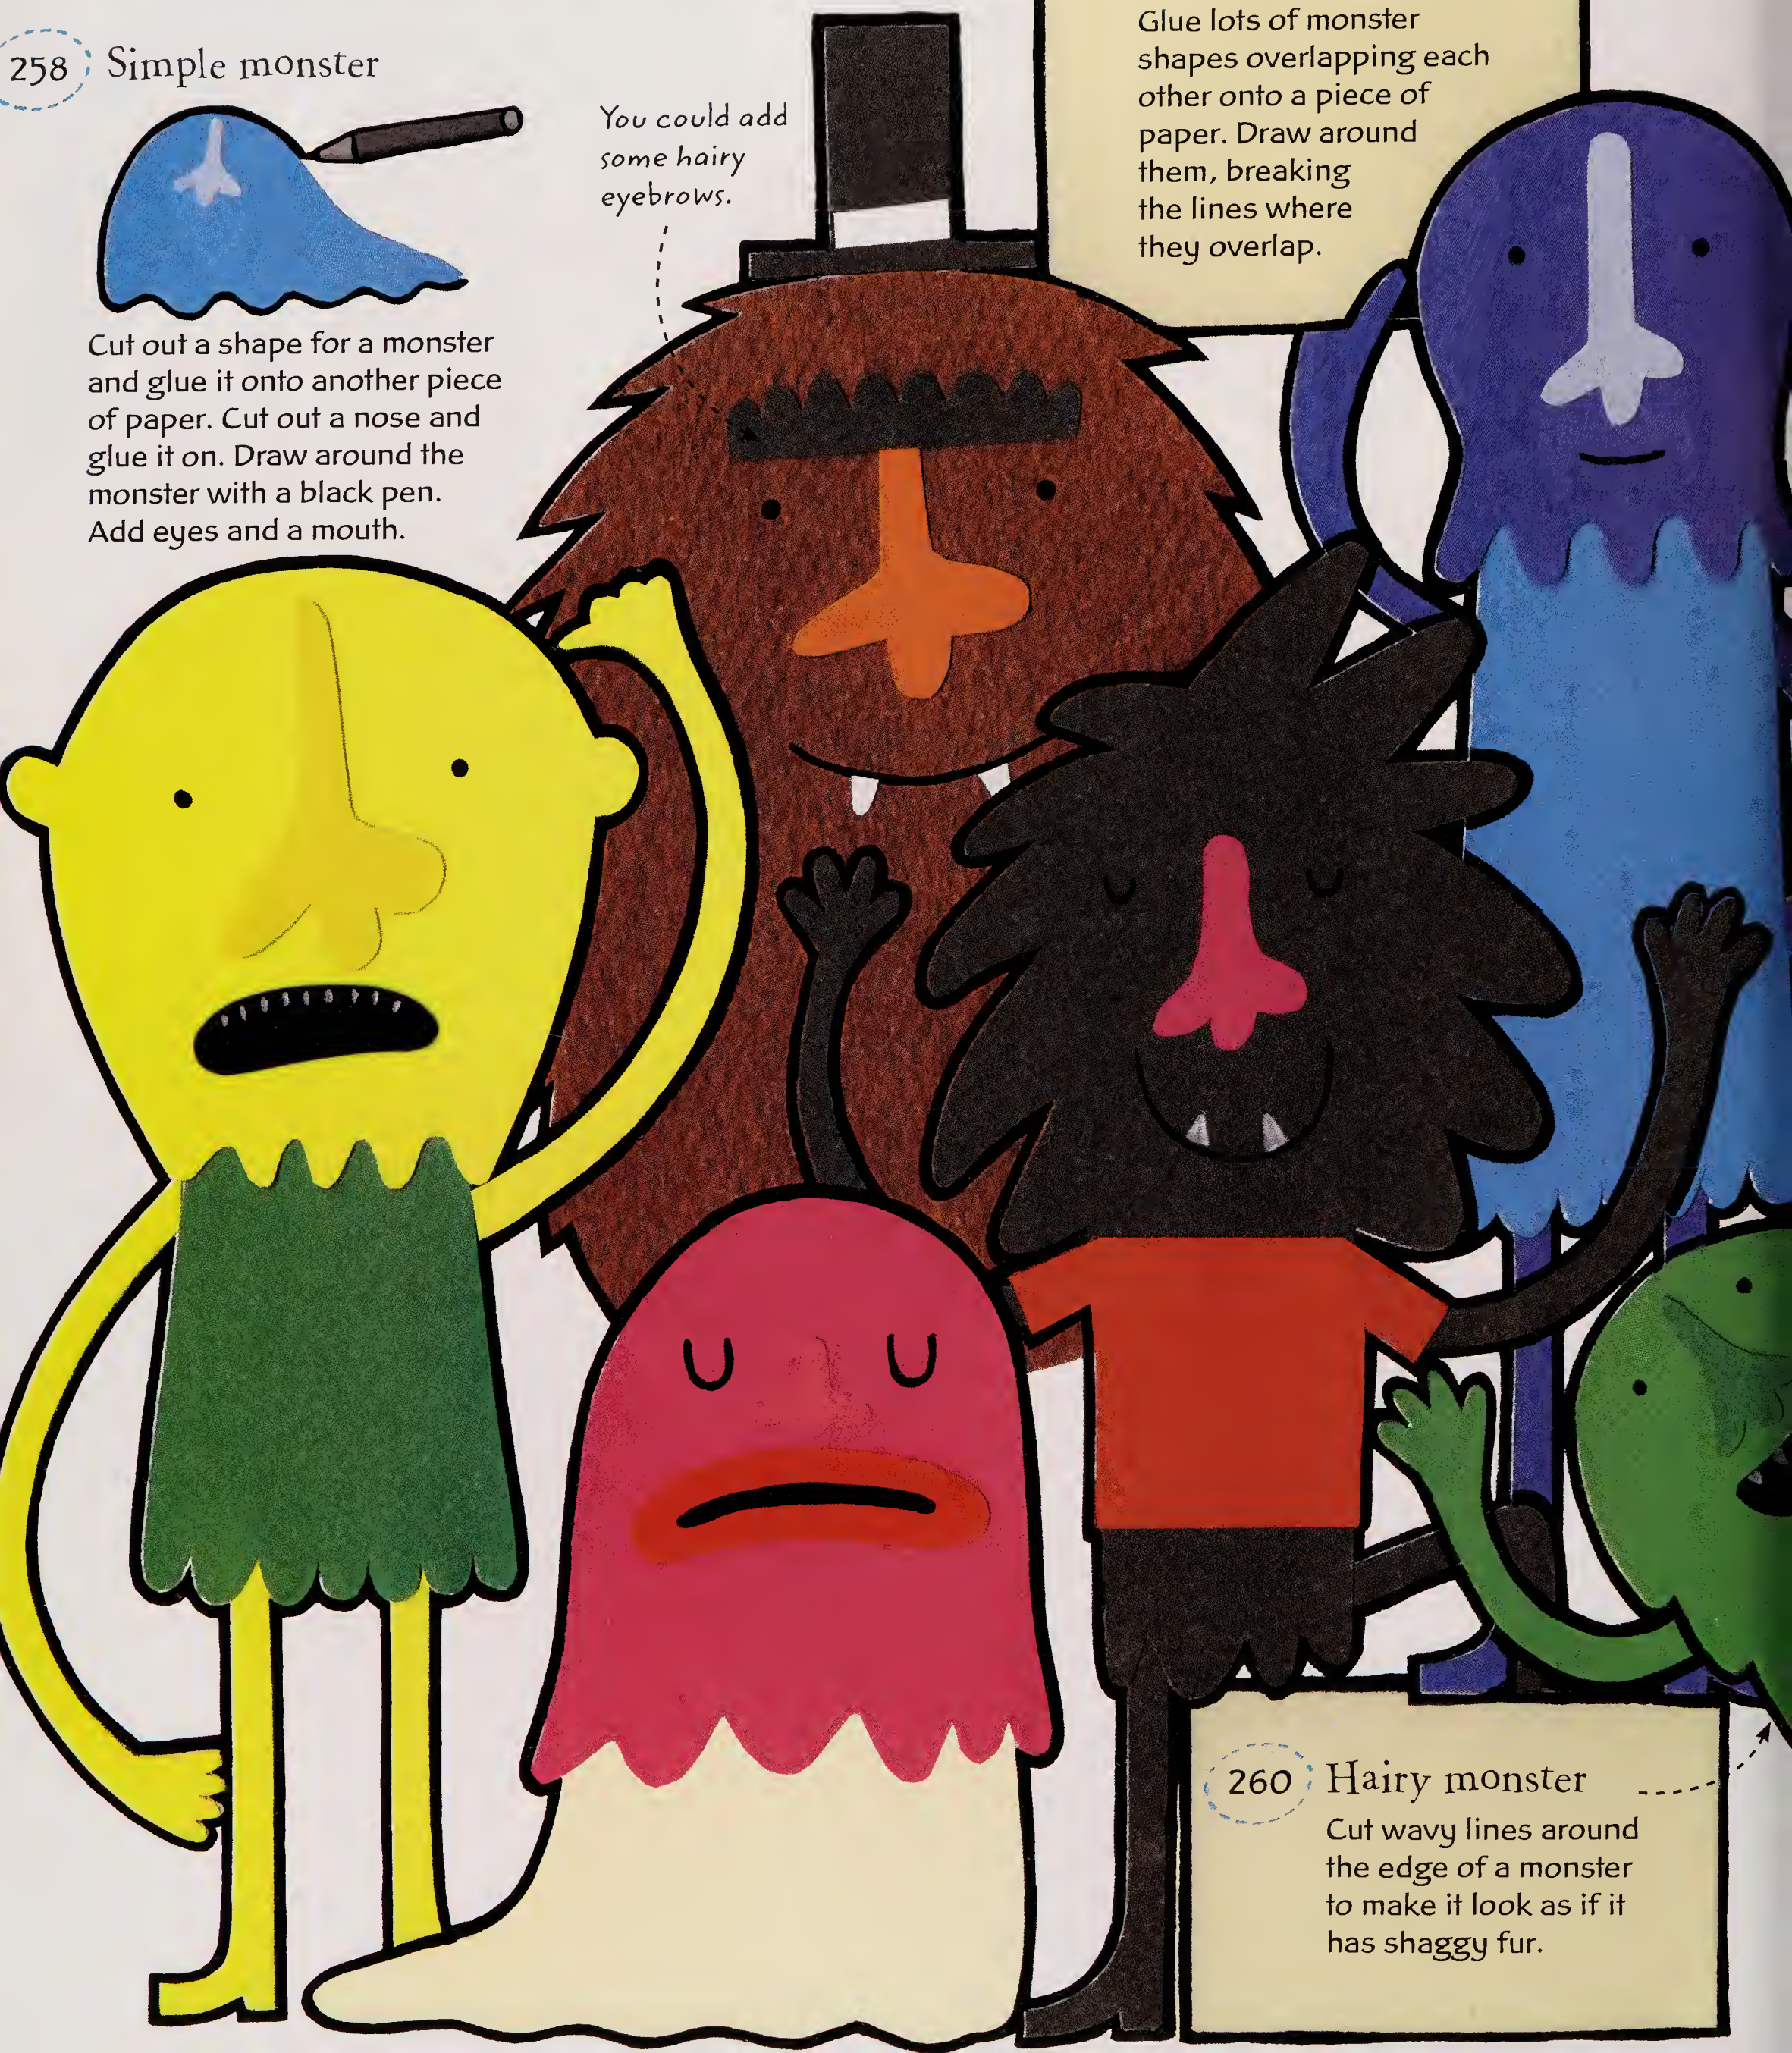

Cut out a shape for a monster and glue it onto another piece of paper. Cut out a nose and glue it on. Draw around the monster with a black pen. Add eyes and a mouth.

You could add some hairy eyebrows.

259

Make a picture

Glue lots of monster shapes overlapping each other onto a piece of paper. Draw around them, breaking the lines where they overlap.

260

Hairy monster

Cut wavy lines around the edge of a monster to make it look as if it has shaggy fur.
