

278 Perching bird

Draw a simple shape for a bird with a small tab at the bottom. Glue it onto an elephant's back.

279 Tusks

Cut paper tusks and glue one on either side of the trunk.

280 Toenails

Glue on circles punched with a hole puncher, then trim the edges.

281

Indian elephant

Cut out a piece of patterned paper for a blanket. Glue a strip of paper along one edge and make lots of little cuts in it for fringing. Glue the blanket onto the body, then trim around the top.
