

Pirates

Pirate ships

Pirate ships were small and fast. They were only recognizable by their unusual flag!

Pirates were the robbers of the seas. They attacked ships and stole their cargo, and sometimes even the ship itself!

Figurehead

Sailors believed that a figurehead on the boat would protect them.

The Jolly Roger – the pirates' flag

Death's skull

Crossed swords

Navigation

Pirates used the Sun, stars, instruments, and maps to find their way at sea.

Map

Telescope

Compass

Pirate attack

Pirates attacked ships and then pulled them close with iron hooks.

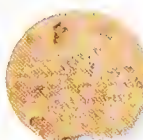

Cannon

Iron hook

Limes

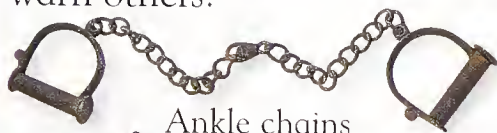

Biscuits

Pirate's life

Many pirates led awful lives. At sea, they ate hard biscuits and limes to stay healthy.

Punishment

If pirates were caught, they were hanged. Their bodies were hung in an iron cage to warn others.

Ankle chains

Handcuffs

Iron cage

Weapons

Every pirate was armed with a pistol and a short, sharp sword called a cutlass.

Pistol

Cutlass

Treasure chest

Silver coins

Rings

Diamond and amethyst necklace

Treasure

Pirates attacked merchant ships to steal their valuable cargo. They shared out the lost treasure between them.

Did you know?

When the pirate Blackbeard went into battle, he set fire to string in his hair!
