

South America

South America

South America is home to the world's largest rain forest. It is bursting with color and is a refuge for rare plants and animals.

Angel Falls
Angel Falls in Venezuela is the highest waterfall in the world.

Lake Titicaca
South America's largest lake lies high up in the Andes.

Atacama Desert
This desert in Chile is the driest place on Earth. Few living things can survive here.

Howler monkey

The screams of howler monkeys echo through the forest.

Did you know?

- The Amazon rain forest is more than 12 times the size of France.
- Lake Titicaca is the highest lake in the world.

Amazon River

The Amazon and its surrounding rivers make up 20% of the world's freshwater.

Rain forest

Rain forests are being cut down to make way for roads and industry.

Andean condor

This eagle is the world's heaviest bird of prey!

The Andes

The Andes are the longest chain of mountains in the world.

Pampas

The Pampas are the dry, rolling grasslands in Argentina. They are used for cattle grazing.
