

Sports

Did you know?

Some skiers improve their technique by practicing on top of fast-moving cars!

Olympic athletic stadium

Running track

Most people enjoy sports for the exercise and fun. But some people train hard to compete against the best athletes in the world.

Olympic Games

The Olympics are the world's greatest sports competition. They are held every four years.

Olympic medals
There are three medal winners in each event.

Sports events

The US Open is one of golf's great championships.

The **Cricket World Cup** is a competition between many nations.

The **Rugby World Cup** is a huge international tournament.

The **Formula 1 World Championship** is won by the fastest overall driver.

The **Grand Slam** consists of four great tournaments in the tennis world.

Paralympics

The Paralympics is an international competition for disabled athletes.

Winter Olympics

The Winter Olympics is a competition of winter sports, such as skiing and ice skating.

Sports rules

A referee or umpire makes sure players obey the rules. A blow on a whistle can stop a game.

Whistle

Stopwatch

Football referee

Sports gear
