

MONKEY MAYHEM

Time to play

Now the game is ready to play. Click the green flag to start and see how many times you can hit the bat with the bananas before the time runs out.

△ Controls

Steer the monkey left and right with the keyboard cursor keys. Tap the spacebar to fire bananas at the bat.

To make the game harder, make the bat move faster

EXPERT TIPS

Adding more sprites

To add more bats to aim at, right-click the bat in the sprite list and select “duplicate”. A new bat will appear with all the same scripts as the first one. Try adding some other flying sprites:

1. **Add a sprite** from the sprite library. The flying hippo (“Hippo1”) is great for this game.
2. **Click on the bat** in the sprite list.
3. **Click the bat’s script** and hold the mouse button down.
4. **Drag the bat’s script** on to the new sprite in the sprite list.
5. **The script will copy across** to the new sprite.

Make up a new title for the game and type it in

To make the game last longer, try increasing the time limit
