

Let's go to the park! We can ride bicycles, watch ducks, and have fun in the playground.

DK READERS

Stunning photographs combine with lively illustrations and engaging, age-appropriate stories in DK READERS, a multilevel reading program guaranteed to capture children's interest while developing their reading skills and general knowledge.

	Learning to read ● High-frequency words ● Picture word strips ● Labels to introduce and reinforce vocabulary
	Beginning to read ● Word repetition, limited vocabulary, and simple sentences ● Picture dictionary boxes
	Beginning to read alone ● Longer sentences and increased vocabulary ● Information boxes full of extra fun facts ● Simple index
	Reading alone ● More complex sentence structure ● Information boxes and alphabetical glossary ● Comprehensive index
	Proficient readers ● Rich vocabulary and challenging sentence structure ● Additional information and alphabetical glossary ● Comprehensive index

With DK READERS, children will learn to read—then read to learn!
