

by this age

your baby is probably able to:

- ❁ Roll over from his front onto his back
- ❁ Reach for toys he wants
- ❁ Concentrate for short periods
- ❁ Hold out his arms if he wants to be picked up
- ❁ Give and receive affection
- ❁ Start practising basic sounds such as “ga, ga” and “ka, ka”

Some babies may even be able to:

- ❁ Combine vowels and consonants to say, for example, “ah-goo”
