

by this age

your baby is probably able to:

- ❁ Hold his head steady
- ❁ Enjoy sitting up unsupported
- ❁ Chuckle
- ❁ Alter his tone of voice to express himself
- ❁ Make sounds and bang objects to attract your attention
- ❁ Develop his understanding of cause and effect
- ❁ Use arm gestures, such as lifting his arms for a cuddle

Some babies may even be able to:

- ❁ Try to pick up food to feed themselves or hold a sippy cup
