

by this age

your baby is probably able to:

- ❁ Develop his passing skills
- ❁ Understand how some objects are used
- ❁ Understand the word “no”
- ❁ Show signs of crawling
- ❁ Bang two objects together
- ❁ Respond to simple commands
- ❁ Copy you if you wave to him

Some babies may even be able to:

- ❁ Pull to standing
- ❁ Look in the direction in which you point and make their earliest pointing gesture
