

Indoor hide- and-Seek

For this easy version of hide-and-seek, arrange two chairs a short distance apart and put a heavy book on each chair seat to keep it stable and upright. Cover the chairs with a large sheet, or a tablecloth that reaches to the floor, to create a tent. Let your baby watch you put a stuffed animal inside the tent on the floor and then ask, “Where’s teddy bear?” Help him lift the sheet to reveal the toy and say, “There’s teddy bear!”

Your baby may have so much fun that he’ll be happy to hide inside the tent to continue playing hide-and-seek. Get into the tent with him to begin with if necessary, and if he’s relaxed about not being able to see you for a few seconds, let him “reappear” as you lift the sheet each time and express great surprise.
