### Sam and Monkey's jungle adventure

Sam woke up one morning and decided to go on an adventure. "Where shall we go today?" he asked Monkey. "Let's go to the jungle. Some of our favorite friends live in the jungle," said Monkey with a big smile.

2

Sam and Monkey set off for the jungle. They went through some long green grass to get there. But a big noise made them stop. It went "Roooooarr!" Sam and Monkey stopped and hugged each other. "What was that?" The big noise came out of the long grass. It was only Lion, who wanted to say hello.
