

Your baby at...

11-12 months

As your baby approaches his **first birthday**, you will be amazed at how far he has progressed. He is a *unique personality* bursting with **energy** and **curiosity**. He's also able to *express a wide range of emotions*, and his **attention span** is **growing**. He's getting ready to *talk*, can do more for himself *physically*, expresses his *emotions* more easily, and enjoys lots of **stimulation** and **excitement!**
