

Make a mailbox

Cut a large rectangle in the lid of an old shoebox to make a mailbox shape. Give your baby some recycled envelopes or an old pack of cards and show her how to mail her “letters” through the hole. She will love to watch her letters disappear, and be revealed again as you open up the box. You could then go for an outing together to your local mailbox at collection time and watch the mail carrier bag up the mail.

Counting rhymes

Twelve months is an ideal age to start introducing rhymes and songs with a specific counting emphasis to your baby. Although it will be a while before she joins in, she will love the repetition and sense of anticipation as you count on your fingers and sing the words:

One, two, three, four, five,
Once I caught a fish alive,
Six, seven, eight, nine, ten,
Then I let it go again.

Why did you let it go?
Because it bit my finger so.
Which finger did it bite?
This little finger on the right.
