

by this age

your baby is probably able to:

- ❁ Smile back at you
- ❁ Move his arms and legs more confidently
- ❁ Stretch out to try to grasp toys
- ❁ Clasp an object placed in his hand
- ❁ Discern primary and bright colours
- ❁ Use a range of facial expressions
- ❁ Giggle

Some babies may even be able to:

- ❁ Lift their head up to a 90-degree angle when lying on their stomachs during tummy time
- ❁ Reach out to grab something
