

by this age

your baby is probably able to:

❁ Discover the concept of cause and effect when his actions make something happen

❁ Anticipate what happens next in familiar rhymes or action games

❁ Make more repetitive sounds

❁ Enjoy exploring different textures

❁ Occasionally surprise himself by rolling over from his tummy onto his back when he reaches for something

❁ Push up with his arms

Some babies may even be able to:

❁ Rock back and forth on their tummies
