

Children—be safe!

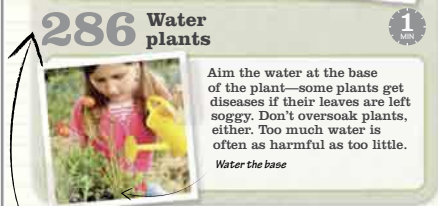

Tell an adult before you do any of the activities in this book because you will need an adult to supervise these activities.

Pay attention to this symbol: it means you need to take extra care with some parts of the activity. Follow the instructions carefully.

A "What you need" checklist shows you the equipment you should have ready before you start the activity and the items you will need to collect

Information stamps include top tips to help you complete the projects (green), fun facts (blue), safety tips (pink), and suggestions for alternative things to try (orange)

Activity number—each activity is numbered so you can keep track of what you have done—there's an activity number for every day of the year!
