

Make sure the
wings overlap
as shown here.

Sew on the wings

Put a wing in place on the body as shown, then sew through the button to hold it in place. Repeat with the second wing.

Sew on the eyes

Sew on two small black beads for eyes.

Top tip

If you don't have
soft-toy filling, you
can use cotton
balls instead.

Sew on the beak

Put the beak in position,
then finish sewing up the bird.
