

Pinking shears make a zigzag edge.

Top tip

If you cut out your decorations with pinking shears, the fabric won't fray.

Cut a piece of fabric 12 x 5in (30 x 13cm).

Folded edge

1

Cut out the picture

Cut neatly around your picture with pinking shears.

2

Trim the edges

Cut the edges of your fabric with pinking shears, then fold in half.

Sew through both layers of fabric.

Make sure the drawstring only goes through **one layer** of fabric at a time.

4

Sew up the bag

Choose a lovely color and sew running stitch along each side.

5

Thread the drawstring

Thread a tapestry needle with yarn then sew big running stitches around the top of the bag.
