

Top tip

Sew your dinosaur on just **one side** of the bag or you won't be able to open it!

Sew on the picture

Pin your picture to one side of the bag. Sew onto the bag with running stitch.

Gently pull both ends of yarn tightly to close the bag.

Tie a knot and close

Pull the drawstring through, then tie the ends together with a knot.

A hemmed bag

Sew up the hem

Cut a narrow rectangle for your bag. Fold over both the short ends to make a hem. Pin, then sew in place with running stitch.

Sew up the bag

Place both hems together. Sew up the long sides of the bag with running stitch.

Thread the ribbon

Thread a needle with ribbon. Push it through one hem, then the other. Knot the ends of the ribbon.
