

1 Make the templates

Copy the templates on page 58 onto paper, then pin them to felt and cut them out.

2 Sew on decorations

Using a different colored thread, sew on felt shapes as decorations.

Cut ribbon or braid to the length of the clip.

Cut the antenna to the length that you want.

3 Assemble the butterfly

Place the smaller shape on the larger one, then pin it to a piece of rickrack or ribbon. Sew together using running stitch.

4 Add the antennae

At the top, push a threaded needle in, then out, bringing the thread with it. Tie a knot in each end and trim off the extra thread.

Press down firmly.

Apply the glue.

5 Attach to hair clip

Spread glue onto a hair clip and press it firmly onto the back of the ribbon. Let dry.
