

Cut out the felt

Pin the template from page 61 onto felt. Cut out the ears. Cut two 1in (2.5cm) circles of white felt and two $\frac{3}{4}$ in (2cm) of black felt for eyes. Cut a strip $\frac{3}{4}$ x 8in (2 x 20cm) of black felt for a noseband.

Make the mane and forelock

Cut out four $4\frac{3}{4}$ x $4\frac{3}{4}$ in (12 x 12cm) pieces of fabric for the mane, and two $1\frac{1}{2}$ x 3in (4 x 8cm) pieces for the forelock. Cut slits into these as shown above to make fringes.

Sew on the 2 pieces of felt for the eyes.

Sew on the eyes and ears

Sew on white and black circles for the eyes on either side of the head. Then stitch on the ears.

Add reins and noseband

Cut a length of string for reins. Tuck the ends of the reins into each side of the noseband. Pin in place, then sew.

Sew several **extra stitches** on top of each other to give extra strength to the reins.
