

Sewing kit

These are the things you will need to make the projects in the book.

Furry fabric

This is perfect for ears.

Bright fabric

This brings your animals to life. Pinking the edges stops them from fraying.

Right side of the fabric.

Wrong side of the fabric.

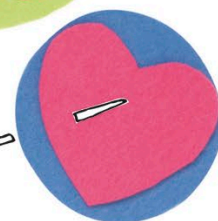

Fleece fabric

This doesn't fray, and it is very easy to cut.

Felt

Scraps of bright felt are great as decorations.

Ribbons and cords

All of these are useful for bag straps, horses' reins, or for decoration.
