

California

With an attractive Pacific coastline, majestic mountains, fertile valleys, and scorching deserts, California has some of the most geographically diverse landscape in the country. It is also home to the Hollywood film industry and amazing landmarks, such as the Golden Gate Bridge.

Kamala Harris

Oakland-born Kamala Harris has had a long political career full of firsts. In 2021, she became the country's first female vice president. She was also the first Black and Asian American person in that role.

California has lots of famous landmarks like the Golden Gate Bridge.
