## Green Portland

The city of Portland, Oregon, is famous for being environmentally friendly. To cut down on pollution, Portland offers great public transportation and excellent recycling programs. Portland leads the country in the number of people who ride their bike to work.

## Crater Lake

Crater Lake in Klamath County was formed when a volcano collapsed on itself over 7,000 years ago. It's the deepest lake in the entire United States! It's got its own national park—the only one in Oregon.
