

*Multnomah Falls
in the autumn*

Pacific Northwest

Oregon's visitors adore the rare beauty of the Pacific Northwest. This is a large region that includes Oregon, Idaho, Washington, and some of western Canada. The region's long beaches, towering waterfalls, fairy-tale forests, and soaring mountains form a vibrant ecosystem. It's the perfect place for outdoor adventure lovers!

*The mythical
creature called
Bigfoot is said to
roam Oregon's
forests.*

*The state mammal of
Oregon is the beaver.
It appears on the back
of the state flag.*
