

Rhode Island

Red maple
leaves

Rhode Island is a small state with a big history! It's one of the original Thirteen Colonies that fought for independence from Britain during the Revolutionary War. Today, Rhode Island is a popular spot for summer vacations, and it is full of fun things to discover—like clams and the Newport Jazz Festival.

The Thirteen Colonies were parts of these East Coast states.

The Thirteen Colonies

Rhode Island was one of the Thirteen Colonies founded by English settlers in the 1600s. Rhode Island was the first colony to declare independence from Britain, which ruled before the United States became an independent nation.

Rhode Island is the smallest state.
